| 221          | Klotter       | Block                                       | Robert Dehner                  | 2              | Block    | N/A         | 1  | 0  | 1  | -                                   | This part of the block is always dark at night. The trees obscure. Great target for the lighting grant.                             |  |
| 244          | Klotter       | Street                                      | Michael & Rebecca Endres       | 2              | Block    | N/A         | 1  | 0  | 1  | -                                   | This part of the block is always dark at night. The trees obscure. Great target for the lighting grant.                             |  |
| 2307         | Clifton       | Streetlight outside 2307 Clifton nue        |                                | 1              | Block    | N/A         | 0  | 1  | 0  | Light been out for over 3 months    | Emailed city regarding street light, no response. Near property with drug activity and barely used garage. Too dark to walk on that |  |
