2345	Victor	1	0	trash on deck and in back yard	0	0	0	0	0	1	1	loud parties-college students	1.Alfredo Tepperberg needs to be more responsible for his tenants and the condition of his houses. 2.This house has always been a problem for loud parties and trash.
2225	Victor	0	0	-	0	0	0	0	0	0	0	-	This gentleman seems very isolated - he might need some assistance, but it's hard to tell. He keeps the gate padlocked so that you can't even really knock on the door to try to talk with him. He keeps a very beautiful back yard, and has expressed to me wanting to paint his home. I can't tell if he's unable due to lack of finances, or just doesn't have anyone he trusts to do the painting. He's very concerned about the vacant property next door (2223 Victor) and worried the deterioration there will cause damage to his home.
Intersection	Warner	0	0	-	0	0	0	0	0	0	0	-	This little area is probably part of the property at 2300 Rohs St. Neighbor might need assistance trimming the brush and removing dead trees.This would help with litter problem.
