223	Bosley	-	This house seems to usually be rented to members of the UC Rugby Club. I've called the landlord and the police many times over the years because of their loud, drunken parties.
2307	Clifton	-	Emailed city regarding street light, no response. Near property with drug activity and barely used garage. Too dark to walk on that side of street.
Block	Coon	-	One side of the street is high weeds and litter. the other side is a 2 car garage that is falling down, in poor repair. This whole street is abandoned and in disrepair

2239	Flora	-	Property may be in foreclosure, chimney mentioned in item 6 above is potential danger from falling bricks and mortar
Block	Stratford	-	This whole block of StStratford is horrendous with trash on the street, sidewalk. The buildings are in disrepair, almost every one on this street.
2220	Victor	-	I cannot say for sure that the above criminal activities are taking place -- but there is a lot of suspicious traffic there. It's difficult to even tell who the tenants are since the last, long-term (and very good) neighbor there moved about about 6-
2345	Victor	loud parties-college students	1. Alfredo Tepperberg owns MANY houses in Clifton Heights. He needs to be more responsible for his tenants and the condition of his houses.
2300	Victor	-	-
2324	Victor	-	Frequent parties that I can hear down the street through closed windows.
2226	Victor	We've reported this to Vice - no apparent response	There are very, very young tenants living here - some don't even appear to be 18. It's impossible to even tell who the tenants are: it's a constant stream of young people. The landlord is never around. Two or three of us on this block have

174	Warner	-	Just last night (1/19) there were more than 30 young people (UC and Mt. St. Joe students?) outside, running and yelling up and down the street. There are at least 6 young men living there -- possibly more. We've called the police numerous
