Block	Wheeler	Between Warner and McMillan Streets	-	2	Occupied	N/A	1	0	1	-	Several retaining walls are in bad condition. Wheeler Street is often used by motorists to avoid congestion on McMillan Street. Speeding is a problem! Parking on Warner Street is often right up to crosswalk or corner. This makes turns either right or left from Wheeler onto Warner dangerous. Can't easily see the traffic coming East on Warner. Cars completely or partially blocking driveways is also a chronic problem.
